Dear Master

Donation to the Lord Mayor's Appeal 2016

Thank you so much for the kind donation of £300 towards the Lord Mayor's Appeal themed 'Innovate here. Succeed anywhere.'

The two charities that will benefit from the Appeal this year are JDRF, the type 1 diabetes charity and the Sea Cadets and the money raised will support vital research, paving the way to a cure for type 1 diabetes as well as supporting young people across the UK through transformational nautical adventure and training.

If I can provide any further information do please let me know.

Yours sincerely,

Caroline Wright
