Dear Christine -

Many thanks for the most generous cheque from Gipplegate Wood Club. The fund is immensely grateful. As you know we rely on the generosity of the Wood Clubs and many. Please thank every member of the Wood Club.

The work of the fund continues apace. I do hope you will be free to join us for the AGM (date being sorted as I write), so that you are able to hear what we have done this year.

With renewed thanks and
warm regards

Jesse
