

Lord Mayors Show

Cripplegate ward club have always supported the Lord Mayors Show and this year was no exception the club had a great turnout to welcome Alderman Charles Bowman our 802nd Lord Mayor.

We arrived for tea and Coffee, and then watched the coach being harnessed to the horses. We then observed a two minute silence to remember those killed in the war.

The shows started and guess what no rain for the first time for many years. After the show we all dined in Guildhall. It was Great fun with a great atmosphere our lunch prepared by the cook and butler was faultless and was one of the best lunches I have had for a long time. Well done Mark, Who will soon become master of the cooks company.

Thanks to all our members for their support. Our next function is our Christmas party at Farmers and Fletcher's hall, which will follow our service at St Bartholomew-the-Great.

It looks like it will be a great night. Book Your Places Soon. We look forward to seeing you all.

Best Wishes

David Ayres. Master
