*Dear Master*

**Re: Donation to the Lord Mayor's Appeal 2015**

On behalf of the Lord Mayor I write with many thanks for the kind donation from your Ward Club of £250 to the Lord Mayor's Appeal 2015.

The theme for our Mayoral Year is 'Creating Wealth, Giving Time, Supporting People' and our main beneficiaries will be the disability charities Scope and Mencap. Your contribution will help to ensure that more disabled people and their families receive the support they need to have the same opportunities as everyone else. A small percentage of the proceeds will also recognise the contribution to the life of the City from the arts and the schools that nurture its brightest talent by benefitting The Royal Ballet School, the City & Guilds of London Art School and the Royal Academy of Arts.

With best wishes

Yours sincerely,

*Caroline Wright*
