Dear Mr. Jones,

Thank you very much for your Ward Club's generous and welcome donation. We are delighted that they are continuing to support the Fund, which has been in continued and active existence for over two hundred years, due in large part to the Worshipful Companies which support it.

I enclose a copy of our latest Annual Report which I hope you will find interesting when considering further donations to us. The Report shows in detail how the donations we received last year were spent. You will see that we helped 1,284 men and women and their families, at a cost of £164,180 and that our administration costs went down. You will find a breakdown of grants on pages five and six and a financial statement on page seventeen. The Fund continues to have the same priorities: helping ex-offenders and their families achieve self-respect, stability in their home life and, if possible, a job. To these ends, the grants we make focus on clothing, welfare, household equipment, training and tools of trade.

With renewed thanks,

Yours sincerely,
