The Wellcome Trust Visit & Tour

Lunch at The Wellcome Kitchen

Wednesday 17th January 2018

Our January visit is to The Wellcome Trust. Founded by Sir Henry Wellcome a medical entrepreneur, collector and philanthropist, the exhibition reflects Henry's amazing breadth of interests. Current funding supports over 14,000 people in more than 70 countries and in the next five years the trust will be spending up to 5 billion pounds helping thousands of curious passionate people all over the world explore great ideas. This fascinating day will start with a tour of Medicine Man, a collection of historical objects acquired by Sir Henry. This will be followed by a 3 course lunch with wine in The Wellcome Kitchen.
