A Private Tour of Clarence House

with 2 course supper at 'Inn The Park'

TUESDAY 9th AUGUST 2016

Now the official residence of the Prince of Wales and the Duchess of Cornwall, Clarence House was the late Queen Mother's London home from 1953 to 2002.

Much of Her Majesty's art collection together with superb examples of English porcelain and silver remain on display. Refurbished and redecorated in keeping with its official role, the house retains the sense of a well loved family home.

Our exclusive tour includes five ground floor rooms, the Cornwall Room (not open to the general public) where twenty two of the Prince of Wales' watercolours hang, and the formal planting in the garden added in 2004-5 by the Prince in memory of his grandmother.

After our fascinating tour by expert guides, we will enjoy a glass of champagne together before leaving at around 6pm.

A short stroll through St James's Park brings us to Inn The Park, a restaurant set idyllically by the lakeside. After an arrival glass of wine on the covered terrace, we move to our reserved area inside for a two course supper with red/white wine (please make your menu choices on the Booking Form). Afterwards, an area has been reserved for us on the roof terrace, where a cash bar will operate and we can relax and watch the sun set at the end of a very special and memorable event.
